Saint Michael the Archangel isn't a saint, but rather he is an angel, and the leader of all angels and of the army of God. This is what the title "Archangel" means, that he is above all the others in rank.

St. Michael has four main responsibilities or offices, as we know from scripture and Christian tradition.

- The first is to combat Satan.
- The second is to escort the faithful to heaven at their hour of death.
- The third is to be a champion of all Christians, and the Church itself.
- And the fourth is to call men from life on Earth to their heavenly judgment.

In blessed repose, grant O Lord eternal rest to your departed servant the Priest John and remember him forever.

At the October 18, 2022 meeting of the Parish Advisory Council, the following topics were discussed:

The rectory remodel has begun with the update of the second floor bathroom. The next phase, refinishing the hardwood floors, is next. Fr. Vasyl has elected to have laminate applied rather than refinishing the hardwood.

Suspension of the monthly Archeparchial Cathedraticum of 10% that we pay to the archeparchy will not be a possibility, as hoped by the PAC.

The GCU Board has requested that no further requests for funds occur. (St Stephen's received our GCU funds in spring of 2022). In the future, instead of giving every parish that fund-raises \$5,000, beginning in 2023, they will give every parish \$2,000, and an additional \$3,000 if a parish does have fund-raisers.

The church's boiler was inspected and reported to be very old. The Icon for the Shrine is now done, but the mosaic must be completed. It was determined that the fiftieth anniversary celebration of St Stephen's be delayed until after Easter of 2023. Ron notified the stone mason that the stone work will be delayed until spring.

Father Vasyl reports that there will be no further PAC meetings until January of 2023.
